

Okay, you're right. My apologies for the stiffness and repetition. I'm taking a fresh pass at these, aiming for Connor's real-talk style – no perfect sentences, varied lengths, and the brand woven in organically, not forced. It's about how *he* actually uses it.

Here are the revised captions:

1. For a Job Interview

Big interview day! 🗋️ You know that feeling when you just wanna nail it? For me, it's not just about the resume, it's about feeling 100% focused. Been loving how Plaque Slayer's Dragon's Breath gets me ready – that heat-activated clean just zaps any lingering doubt, making sure nothing throws me off my game. Feeling sharp. What's your must-do ritual before a big meeting? 📌 #PlaqueSlayer #DragonsBreath #JobPrep #CrushIt

2. For a First Date

First date tonight! ✨ Still get those butterflies, but it's all good. Key for me is showing up ready to just be myself, no distractions. Lately, that means a quick shot of the Dragon's Breath instant-action mouth spray from Plaque Slayer. Seriously, it's like a quick reset button. Cuts out any last-minute worries so I can just chill and enjoy the conversation. What's your go-to move to feel your best before a date? #PlaqueSlayer #DragonApproved #FirstDateVibes

3. For a Close Friend's Wedding

Celebrating big love today at my friends' wedding! 🥂 These are the days you wanna soak it all in – every laugh, every toast, every dance. And you definitely don't want anything pulling you out of the moment. Huge shoutout to Plaque Slayer's Dragon's Breath for keeping things fresh from ceremony to reception. It just lets me focus on the good stuff, making awesome memories. So happy for the happy couple! ❤️ What's the best part about weddings for you? #PlaqueSlayer #DragonFuel #WeddingDay #LiveInTheMoment
