

Ready to arm yourself? Plaque Slayer's Dragon's Breath is here to obliterate bad breath and fortify your defenses. Test your battle readiness with this quiz. Only the fiercest survive!

---

### **1. What is the ultimate objective of Plaque Slayer's Dragon's Breath?**

- A) To offer a refreshing, everyday clean.
- B) To launch a full-scale assault, annihilating bad breath and empowering unwavering confidence.
- C) To improve your overall oral hygiene with gentle care.

### **2. What fierce, sensory weapon does Dragon's Breath unleash upon your mouth?**

- A) A cool, invigorating mint burst.
- B) A heat-activated chili inferno, followed by the savage sweetness of orange-guava.
- C) A mild, pleasant flavor that lingers.

### **3. How does Dragon's Breath hunt down and obliterate foul odors?**

- A) Through a complex blend of natural essences.
- B) With precision strikes from citrus terpenes, leaving no trace of the enemy.
- C) By gently neutralizing odor-causing compounds.

### **4. What formidable defense does Dragon's Breath forge for your enamel?**

- A) A daily dose of strengthening fluoride.
- B) A nano-hydroxyapatite complex: a battle-hardened shield, impenetrable to decay's assault.
- C) Essential minerals to maintain tooth structure.

### **5. When does Plaque Slayer's Dragon's Breath truly shine?**

- A) During a quiet, relaxing evening routine.
- B) When the stakes are highest: the critical meeting, the make-or-break date, the grind for every inch of victory.
- C) As a gentle, morning wake-up call for your mouth.

### **6. Plaque Slayer declares bad breath to be...**

- A) A common, easily managed condition.
- B) A deceitful, confidence-crushing foe that must be eradicated.
- C) A minor aesthetic concern.

### **7. What's the Plaque Slayer stance on those who offer 'gentle' oral care?**

- A) We respect their approach to oral hygiene.

- B) They peddle weakness. We expose their soft tactics and unleash pure, unadulterated power.
- C) Different strokes for different folks in the dental world.

### **8. In what forms can you deploy the raw power of Dragon's Breath?**

- A) As a standard, single-use tube of paste.
- B) As a refillable toothpaste for endless combat, and an instant-action mouth spray for immediate strikes.
- C) A basic liquid mouthwash.

### **9. Does Dragon's Breath prioritize whitening yellow teeth?**

- A) Absolutely! It's designed for dazzling white smiles.
- B) Whitening? Our teeth are too busy being fortresses. We slaughter bad breath and build unyielding strength.
- C) It offers some subtle brightening effects.

### **10. Describe the voice of Plaque Slayer.**

- A) Calm, informative, and clinically precise.
- B) A primal roar. Unfiltered, dangerous, and a constant battle cry against every enemy in your mouth.
- C) Friendly, approachable, and encouraging.
