One Month After Launch

Instagram:

A month. And the enemy crumbles.

Dragon's Breath isn't a trend. It's the new law.

We promised war. We delivered annihilation.

Plaque, grime, bad breath — they had their reign. Now, they face extinction.

Your mouth, their graveyard. Your confidence, an inferno.

Don't just clean. Conquer. Every. Single. Day.

Claim your weapon. The link awaits.

TikTok:

(Powerful, anthemic music, visuals of confident people, then a quick shot of the product)

Caption: It's been a month. How's that Dragon's Breath working out?

Still obliterating bad breath? Still owning every room?

Thought so.

Plaque Slayer doesn't just clean. It transforms.

No compromise. No surrender.

If you're not with us, you're just... waiting for defeat.
